Learning Together – Achieving Excellence

21st January 2026

Dear Families,

Thank you for your patience and engagement throughout the consultation regarding the proposed changes to our school uniform. We would like to thank all families who took the time to share their views and feedback.

Following a thorough review of the consultation responses, the Governing Body has now approved the new uniform proposal. Overall, feedback indicated that parents were in favour of the changes, and governors carefully considered all comments before reaching this decision.

We would like to reassure families that the new uniform will **not** be introduced until **September 2026**. This extended lead-in time is intended to allow families to plan ahead and make use of existing uniform items, ensuring the transition is manageable and cost-effective.

Further information, including detailed guidance and timelines, will be shared closer to the implementation date.

Thank you once again for your continued support and partnership.

Yours sincerely,

Katie Allen
