September 2025

Dear Parent / Guardian

**Snowy Owls - Keep on Reading**

We are continuing to support a project called Keep on Reading which started some years ago.

The aim of the project is to encourage parents of all children in a class to read the same book to their child. This allows all children to compare their opinion of the book and to take part in a number of activities linked to the story. It has been found that the children enjoy access to the work of authors they might not have previously encountered and some go on to read for themselves or have read to them, other books by the same author.

I am asking you to do the following;

Please read the book in a number of sessions suitable to you and your child. Please do not ask the child to read to you.

The books will be distributed on 18th September 2025. Please return it to school by 6<sup>th</sup> October 2025.

In the wallet is a laminated card with some questions and discussion points you might like to talk about with your child. Please do not ask your child to write or draw anything in connection with the book.

After the return date for the book, Les Kemp the Project Co-ordinator, will be talking to the children about the book and all the children will receive a badge on which to record their opinion of the book.

I hope this book will appeal to both your child and you. If the above request presents any difficulty please don't hesitate to contact me so I can make alternative arrangements so your child doesn't miss out on this opportunity.

Yours sincerely,

Ms K Allen  
Headteacher
