Learning Together - Achieving Excellence

Dear Rockstars

What a busy week we have had! Two trips for our eldest children and Times Table Rockstar Day launched! I'm ready for an INSET DAY!

Year 6 had a wonderful time at the Chelmsford Museum and asked some really insightful and intelligent questions whilst there. They learnt a lot and came home with many unknown facts such as: did you know that British people did not grow onions until during the war? They learnt how to do it when families across the country had to grow all their own fruit and vegetables to help feed their families. This seems so strange as we use onions in so many of our dishes these days! Well done to Year 6 for a fantastic trip.

Year 5 walked to Lathcoats Farm this week to find out about the apple harvest and all things apple related. They learnt about different varieties of apples and got cake and juice! I'm cross I didn't go along too! The children had a wonderful time and were very well behaved. Well done to Year 5 for another fantastic trip!

Photos of the trips can be seen on our Facebook page. Please do have a look and like or comment on the photos to help us reach further afield.

DOJO/Phonecalls for teachers

Just a reminder that dojos and phonecalls to parents from and to class teachers can only happen when the teacher is NOT TEACHING. We are happy for you to send messages via dojo at any time, but please do not expect immediate answers or phonecalls back when teachers are teaching the children. If you have an emergency then please leave a message with the office staff and they will find an adult who can respond more immediately if it is needed. Thank you for your understanding.

HELLO YELLOW

On Friday 10th October we invite all children to wear something yellow. This is to support the charity 'Young Minds', who work hard to support the mental health and wellbeing of children and young adults. This is also World Mental Health Day. I would like the children to come to school wearing an item of yellow, alongside their school uniform. We ask for a donation of £1 which will go to the charity. [YoungMinds : Resources](#)

ARBOR

Arbor is now working. Please can you make payments for your child's dinner arrears for last year and for the start of term. We will give you a week's grace period before we need to start asking children to bring in packed lunches until the arrears are paid. Many thanks.

COLLECTION OF CHILDREN FROM THE PLAYGROUND

For parents of year 2 – 6 who collect their children from the top playground, please can you stand back and away from the pathway leading up to the playground. We do need access to allow the

classes to get to their circles so that the teachers can easily dismiss the children to you. Thank you you for your co-operation.

DOGS near school premises

If you walk your dog to school could you please be armed with 'poo bags'. We had a situation this week where a dog defecated right outside the school gates - a rather substantial amount - this was then trodden in by a child upsetting their start to the day. Please clear up after your dog.

FACEBOOK

Please have a look at our Facebook page where we try to upload photos from each of the classes across the school weekly to share what we have all been up to. Please like and comment too!

CONSEQUENCES

We have had an increasing number of children who are choosing to hurt others during break and lunchtimes. Some of the children tell us that their parents tell them to hit back if they are hit first. This is not the way that we want our pupils to conduct themselves at Larkrise. Often, we find that the initial 'hit' was actually an accident but children are lashing out first before finding out what has happened. We want our children to respond with curiosity and kindness first. When children do hit others, I want to be clear to you that there will be consequences. This may be in the form of missing play or missing lunch play, being directed to another classroom to do their learning, or a conversation with parents. We are preparing our children to be adults in a world where there are much harsher, more serious consequences for choosing the wrong actions. Thank you for your co-operation.

School Uniform

It is our school policy that all children wear school uniform when attending school, or when participating in a school-organised event outside normal school hours.

Bikes and Scooters

Bikes and scooters **MUST NOT** be used on the playground at the end of the school day or in the old KS1 playground at the front of a school before school starts. Please ensure when you are collecting bikes and scooters that they are not used until you leave the school premises, and if your child is arriving to school on a bike or scooter, they dismount and hold their bike until it is time to enter the premises. This is to avoid collisions and injuries. Many thanks.

PARKING

Can parents please be mindful of where they are parking to drop off and collect children at the start and end of the school day. We have residents and resident only parking in several places around the school and we have already received several complaints. Our neighbours have not been able to access their parking spots or their cars, and parents have been particularly rude to them. Please show some kindness and responsibility and park your car in a sensible place if you do indeed need to bring your car. Thank you for your understanding.

Philosophy for children

Our 'P4C question of the week' that we'd like you and your children to discuss is this:
'Would you rather be a rockstar or a pop star?'

The important thing to ask is 'why?' Do let us know what you and your children discuss.

Family Fridays

Parents and carers are welcome to come into school at 8.40am **every Friday**, alongside their child, to read in their classroom. We will do this **EVERY Friday** so please do come along and join in. If children see us working together, they will do so much better in their learning! Please do come in, if only for 10 minutes! Younger siblings are welcome to come too as long as you keep them close to you whilst reading. We ask you all to have left the classroom by 9am so the children can then proceed with their class learning.

Attendance News

Attendance was a reason that Larkrise did not reach the 'outstanding' grade from Ofsted last year. There are too many families who fall under the 90% attendance bracket and are so deemed to be 'persistently absent'. Children should be attending school every day. Your child can only miss school if they are too ill to attend or school have given advance permission. Can you please ensure you contact the school office to explain any absence from your child **on the day they are going to be absent before 9am**. The national attendance target is **95%** and we would really like to achieve that this year.
