Learning Together – Achieving Excellence

6th October 2025

Dear Families,

I hope this letter finds you well. As part of our ongoing commitment to enhancing our school environment and fostering a sense of pride and identity within our student body, we are considering the introduction of a tie as part of our school uniform for all pupils.

The proposed new uniform would consist of a white shirt and a school tie, given to your child by the school free of charge, as well as the current blue Larkrise jumper or cardigan. The addition of a tie would not only elevate the appearance of our students but also promote a disciplined and professional atmosphere conducive to learning.

We understand that changes to school uniform can be met with mixed feelings, and we truly value your input in this matter. Each child would receive a tie, ensuring that they can take pride in their uniform while also making them easily identifiable within the school community. The expectation would be for all students to wear their ties every day, alongside their white shirts and blue jumpers or cardigans, fostering a sense of cohesion among all year groups.

To gather your thoughts and any concerns regarding this proposed change, we kindly invite you to send us your views via letter or dojo to the school office by Friday 7th November. Your feedback is invaluable in this process, and we wish to ensure that the new uniform reflects our community's values and expectations.

We appreciate your continued support and commitment to our school's vision, as your partnership is essential in ensuring the best possible outcomes for our children.

Thank you for your attention to this matter.

Yours sincerely,

Katie Allen
